Food Parcel Line: go through FREE PHONE 0800 486 479; NO TEXTS
or emails

Criteria

Asked some brief questions regarding address and the number of people living at your home, (pets included). Food will then be organised to be delivered. Most often food parcel will not come that day as dependent on volunteer drivers to service 32 areas in Christchurch. You must be at home to receive food parcel. At no stage will any individual be able to source food directly from the warehouse.

There is a maximum number of food parcels per 12 months, budgetary advice as part of the service requirement going forward.
